## Recommendation Letter

Dear Admissions Committee,

It is a great satisfaction to recommend Teshome Fetene for admission to your organization. He is one of the most exceptional students I have encountered in my teaching. I taught Teshome in Advanced financial accounting class and advised him in senior essay. He has a keen interest and talent for Accounting and scientific research. His advanced skills and passion for the subject make him an ideal fit for your organization. Teshome is a perceptive, sharp, quick individual with a high aptitude for finance and economics science. He is driven to understand how the financial institution works. He is eager to share his knowledge with others and learn new skills.

Teshome personal strengths are as impressive as his intellectual accomplishments. He's an active, outgoing presence in class with a great sense of humor. Teshome is the perfect person to get a group leading ahead, but he also knows how to sit back and let others take the lead. His cheerful nature and openness to feedback means he's always learning and growing as a learner, an impressive strength that will continue to serve him well in university. Teshome is just the kind of driven, engaging, and curious student that helped make our classroom a lively environment and safe place to take intellectual risks.

Teshome has my highest recommendation for admission to your organization. He has demonstrated excellence in all that he puts his mind to, Teshome's endless curiosity, combined with his willingness to take risks, leads me to believe there will be no limit to his growth and achievements in university. Please don't hesitate to contact me at [nakachewhabiten@gmail.com](mailto:nakachewhabiten@gmail.com) if you have any questions.

Sincerely,

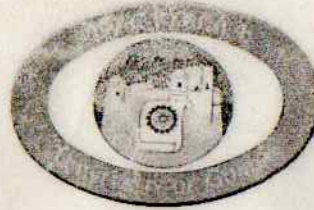

Mr. Nakachew, Habite, Accounting and Finance Lecturer,

University of Gondar, Department of accounting and finance
